Resort Lake, sitting here to enjoy the sun, really happy also.

There are many well-known golf resorts in the United States, visiting Oregon before the week, to the newly built Silvies Valley Ranch and one of the most frequent Bandon Dunes Golf Resort in North America. Introducing Silvies Valley Ranch.

Silvies Valley Ranch is located in the east of Oregon, is a high altitude desert area. The host Campbell family operated the animal husbandry, the whole piece of land is about 14 million mu, a few years ago to develop the resort project The Retreat & Links, is currently the trial stage, is expected to officially opened next year. The entire resort project consists of 36 holiday homes, a spa, two 18-hole courses, a 9-hole Par3 stadium and a super difficult 7-hole course (not yet built), a shooting club and a horse riding club. In addition, guests can also visit the livestock activities, to experience the cowboy life.

From Hong Kong, the traveler can fly to San Francisco to Portland and take a small plane at Silvies Valley Ranch at Portland to fly to the resort for about two hours. Beautiful scenery along the way, the

mechanic Michael and explain in detail the operation of small aircraft, very interesting. Silvie's Valley Ranch has its own small airport, minicomputer directly on the edge of the resort, really VIP-style holiday experience.

Resort design to the western cowboy style, exposure to them, like to go to the "seven chivalrous Kou Zhi" shooting scene. Vacation house built into the lake, the environment quiet, in front of the lake reflection, travelers such as Pro Wonderland.

The holiday home is large and comfortable

The resort has a fine environment

Silvies Valley Ranch Resort accommodation faces such a beautiful view, such as fairy places in general.

Silvies Valley Ranch is full of cowboy / western style

Where driving a cart to play, like a western cowboy riding on the wilderness in the wilderness, really fun.

In the Silvies Valley Ranch, golf is a very unique experience, because the course here for the reversible course, the number of the world only a few, rare to see. The world's first reversible course is Scotland's Old Course, no chance to play Old Course, come here to experience the mystics of reversible course. What is reversible course? Is an 18-hole course can play in the opposite direction, and become two 18-hole course. Its design is clever, that is, two courses share 18 fairways, but the green is not the same.

Because of the need to share the fairway, so the reversible course fairway is particularly wide

The 18th hole of Hankins Course is beautiful

Craddock Course 18th hole scenery

Two 18 stadiums are named Hankins Course and Craddock Course, designed by renowned golf course architect Dan Hixson. Due to the relationship between the common fairway, where the fairway is particularly wide, multi-puddles without water insurance, players do not worry about tee off the ball, the opportunity to lose little white ball is very low. Dan Hixson designed the intention to build two happy holiday courses. Golfers regardless of the level of level, can enjoy the fun of playing here. As a result of the common fairway, the club will only open a course every day, playing Hankins tomorrow to play Craddock. Personal opinion, the two stadiums have their own characteristics, design style close, but not exactly the same. As you like that one, Yan thin ring fat, both are stunning, preferences vary from person to person

Dan Hixson also designed an interesting 9-hole par 3 stadium, Chief EganCourse, built in the lake, almost every hole are water insurance. Play this ball, the opportunity to lose a small white ball can be high! As for the other seven holes filled with super challenging golf course, the name McVeigh's Gauntlet course, there are three holes, there are four holes. Since it has not yet been completed, it can not be evaluated.

Silvie's Valley Ranch's full three-hole stadium, the scenery is very good

Visiting Silvie's Valley Ranch is a unique resort experience because it is a sunny place. In addition to playing outside, where the shooting club is also a linger, you can play a good place all day. It has all kinds of guns and short guns, travelers can be used one by one, enjoy the rare people in Hong Kong a rare shooting fun. Shooting club has a hand to teach how to use all kinds of firearms and shooting skills, travelers will soon be able to get started, hit the heart.

Silvies Valley Ranch One of the activities: there are a variety of guns (long and short fire) for shooting activities.

In addition, horse riding experience animal husbandry career, Mercedes-Benz in the highland grassland desert above, catch cattle and sheep visit cowboy, is also interesting activities.

Silvies Valley Ranch Resort's large livestock farm

Silvies Valley Ranch itself is a large livestock farm, raising thousands of cattle and sheep. The resort and golf course are just a few of the facilities. Travelers visit the resort, visit the ranch and chat with the work of the cowboy.

Resort horse carriage activities

The Silvies Valley Ranch is very large and has a private hangar (available for small aircraft mops) and runways. If you do not want to drive, you can pick up at a nearby airport (such as Portland) by the resort's small airplane.

Next time for the reader to introduce the North American famous Bandon Dunes Golf Resort.
